

STATE OF ILLINOIS
92ND GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

8th Legislative Day

February 8, 2001

Speaker Madigan: "The House shall come to order. The Members shall be in their chairs. We shall be led in prayer today by Lee Crawford, the Assistant Pastor of the Victory Temple Church in Springfield. The guests in the gallery may wish to rise and join us for the invocation and the Pledge of Allegiance."

Pastor Crawford: "Let us pray, as we lift up our hearts as well as our minds. Most gracious and kind Father who we have come to know as being loving and merciful toward us all. We come before You with humble hearts, made up minds to do that which is the good, perfect and the acceptable will of God. We know that of our own minds and of our own understanding, we find it difficult to serve and to honor. So this day, Your work says that in all of our ways to acknowledge You and that You would direct our paths and to lean not toward our own understanding. So we cast all of our cares upon You that our thoughts may become agreeable with Your will, that our plans be established and succeed. That our thoughts be pure with understanding and not vague, that they not be thoughtless and do not be foolish. So that we walk in forgiveness and that we walk in love for all, even as You have done. This we kindly pray. Amen."

Speaker Madigan: "We shall be led in the Pledge of Allegiance by Representative Hassert."

Hassert: - et al: "I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Speaker Madigan: "Roll Call for Attendance. Representative Currie."

House. House Resolution 19 is a bipartisan attempt to get to the bottom of the on-going controversy regarding the problems with the Masters in Social Work Program at Governors State University. The Resolution calls on the Board of Higher Education to conduct an official inquiry into the situation and report back to the General Assembly by March 15th of this year. The time frame is tight, but it is necessary due to the urgency of the situation. I have received and am grateful for the assurances from the Board of Higher Education that this time line can be met. This is a constructive attempt to uncover each and every option that the Board, the University, and we in the General Assembly can provide to the 77 affected students in this case. It also is an attempt to provide mechanisms to make sure that this unfortunate occurrence is not repeated at any of our other universities. I urge your support of the Resolution and I appreciate the efforts on both sides of the aisle to assist myself and my cosponsors in moving this matter through very quickly. I do want to say that as far as the cosponsors, I personally apologize. I don't know why Representative Lyons, Eileen Lyons and Maggie Crotty are not listed on the board along with Representative Joe Lyons, Representative Monique Davis, and Representative Erwin. So I appreciated their help with the Resolution and I would appreciate the Body's approval."

Speaker Madigan: "The Gentleman moves for the adoption of the Resolution. The Chair recognizes Representative Erwin."

Erwin: "Thank you, Speaker. I, too, rise in support of House Resolution 19 and just... Representative McCarthy has explained it well, but just to add that I know this is sort of on a fast track, I want to allay any fears that Members have that the urgency of moving this this quickly is really

to empower the Board of Higher Education to begin dealing with the 77 students that are caught between a rock and a hard place regarding this graduate program. And we appreciate your considering this in a timely manner so that we can get to the task of finding real solutions and real remedies for this, you know, really bad situation. Thank you. I urge unanimous support."

Speaker Madigan: "Mr. McCarthy has moved for the adoption of the Resolution. Is there any further discussion? Mr. McCarthy to close. Mr. McCarthy."

McCarthy: "Thank you, Mr. Speaker. I appreciate the words of the Chairman from Higher Ed. I appreciate the support I've had from the Members on both sides of the aisle. And I would appreciate the approval of this Resolution so we can put the Board of Higher Ed on the case and hopefully help the 77 students that have been adversely affected by this situation."

Speaker Madigan: "Those in favor of the adoption of the Resolution will vote 'aye'; those opposed vote 'no'. Have all voted who wish? Have all voted who wish? Have all voted who wish? The Clerk shall take the record. On this question, there are 115 people voting 'yes', 0 voting 'no'. The House does adopt House Resolution #19. Ladies and Gentlemen, the Chair is prepared to adjourn until Wednesday, February 14, at 1:00 p.m. providing perfunctory time for the Clerk. Mourns the death of former Representative Leland Rayson. Speaker Madigan: "Representative Currie."

Currie: "Thank you, Speaker and Members of the House. I didn't have the pleasure of serving in this chamber with Lee Rayson, but I certainly knew about him. For his brand of politics, firebrand, free spirit politics was the kind that people who were attentive to Illinois State Government could hardly fail to notice. Lee Rayson was a man ahead of

his time when it came to issues like campaign finance reform, or when it came to issues of health care for low-income people, migrant workers in particular. He won high marks from the environmental community for his measures, trying to protect our air and our water from pollution and contamination. And he was an early champion of the idea that 18-year-olds should have the right to vote. As you know today many of the measures that Lee Rayson championed are law in the State of Illinois today. And I think that they are so, in part, because of the very early work that Lee Rayson did in their behalf. He was a very responsive Representative to his constituents in the south suburbs. He made a mark at home as well as a mark in this chamber. And I know you all will join me in extending our condolences to his family."

Speaker Madigan: "Representative Daniels."

Daniels: "Mr. Speaker and Ladies and Gentlemen of the House, I want to offer my condolence as well to the family of Representative Lee Rayson who I served with here in the Body as did you. He was a good friend, he was a very, very progressive Legislator as you recall and one that was very, very committed to the legislative process. I remember Lee and his dedication to the issues that he believed so strongly in and fought very hard for his constituents in his district. And I want to give my condolences to his family. Thank you, Sir."

Speaker Madigan: "Representative Currie has moved for the adoption of House Resolution 8, seconded by Representative Daniels. Those in favor signify by saying 'aye'; those opposed by saying 'no'. The 'ayes' have it. House Resolution #8 is adopted and the House does stand adjourned until Wednesday, February 14, at 1:00 p.m. providing
